

Executive liability insurance

Markel Global Insurance

Executive liability insurance

Markel Global Insurance is dedicated to the specialized needs of sophisticated insureds and producers. Our underwriters bring meaningful expertise and advanced technical analysis to each transaction in the areas of casualty, professional liability, property, marine, and industry-focused practice groups. Markel Global Insurance offers customized solutions, single or multiline, and seeks to establish long-term relationships with clients.

Overview

Markel Global Insurance has a specialized executive liability underwriting team to offer creative solutions to address the broad risks of private and publicly traded companies for their executive liability exposures. Executive liability policies include directors and officers liability, standard Side-A and Side-A DIC, independent directors liability, fiduciary liability, crime, investment adviser and investment company liability, hedge funds liability, private equity and venture capital liability, partnership liability, and REITS.

Product highlights

- Primary public company D&O policy
- Primary asset manager policy
- Primary community banks modular policy
- One page "pure" follow-form excess coverage that does not introduce any new terms, conditions, or exclusions into excess policy
- Will accept business from approved Markel retail and wholesale producers
- Limits available by product and in aggregate
- \$25m in capacity

Target classes or types of business

Markel Global Insurance has a team of underwriting specialists to service a broad range of industries. We segment these industries into two distinct underwriting departments: commercial and financial institutions.

Commercial department

- Private and publicly traded companies with revenues greater than \$500m
- Large risk management accounts in the Fortune 1000 segment
- Financially strong companies with prudent corporate governance
- Hard-to-place risks, such as financially distressed and bankrupt companies
- Equity REITS, IPOs, LBOs, and mergers and acquisitions

Financial institutions department

- Banks, insurance companies, HMOs, and investment banks
- Mutual funds, hedge funds, private equity, venture capital, mortgage REITS, broker dealers, and advisers
- We will consider management liability and errors and omissions
