

Markel Healthcare Practice

Markel Global Insurance

Markel Healthcare Practice

Markel Global Insurance is dedicated to the specialized needs of sophisticated insureds and producers. Our underwriters bring meaningful expertise and advanced technical analysis to each transaction in the areas of excess liability, professional liability, property, and marine. Markel Global Insurance has a network of offices located in jurisdictions that allow customized solutions for the long-term needs of our customers.

Markel's Healthcare Practice delivers both admitted and non-admitted coverage solutions in a comprehensive program with one point of contact for service and support.

Products

Markel Healthcare products include:

- Auto liability and physical damage
- Environmental liability
- General liability
- Healthcare data breach
- Healthcare professional liability for organizations
- Individual healthcare professional liability
- Inland marine
- Management liability - D&O, EPL, fiduciary
- Miscellaneous errors and omissions
- Property
- Umbrella/excess liability

Our target niche includes middle-to upper-middle market specialty healthcare providers. Some of the classes that we support are:

- Anti-aging services
- Blood banks
- Clinical trials
- Correctional healthcare
- Healthcare staffing
- Home health
- Hospice
- Hospitals
- Imaging services
- Laboratory services
- Locum tenens
- Medical clinics
- Medical training facilities
- Pharmacy services
- Physical therapy/rehabilitation services
- Physician extenders
- Senior care (and related services)
- Social services/counseling services
- Tissue banks

Markel's Healthcare Practice will consider appointing specialty healthcare producers that have dedicated healthcare units and significant business volume in the healthcare niches that we serve.
