# Professional liability insurance - Europe

Markel Global Insurance is dedicated to the specialized needs of sophisticated insureds and producers. Our underwriters bring meaningful expertise and advanced technical analysis to each transaction in the areas of excess liability, professional liability, property, and marine. Markel Global Insurance has a network of offices located in jurisdictions that allow customized solutions for the long-term needs of our customers.

## Overview

Markel Global Insurance combines strong underwriting experience with disciplined risk modeling to deliver long-term product solutions.

Our preference is to participate in those classes where capacity is scarce and we have the opportunity to present unique solutions to the challenges clients face in structuring their insurance programs.
