

Brokerage inland marine

Markel underwrites a broad selection of inland marine coverages to meet your needs.

Coverages

Warehouse legal liability

 Provides coverage to warehouse operator for damage to third-party goods in storage

Miscellaneous property floater

- Provides first-party coverage for miscellaneous property
 - Slot machines, ATMs, medical equipment, and other property that might not necessarily fit other coverage forms

Contractors equipment

Provides first-party coverage for contractor's equipment

Equipment dealers

- Provides coverage to mobile agricultural and construction equipment and their related accessories—both inside and outside their building and while in transit.
 - It can also cover other mobile equipment not licensed for road use (e.g., ATVs, golf carts).
 - Covered property is the insured's stock as well as property of others in their care, custody, and control.

Contingent cargo

- Provides first-party coverage on a freight broker who contracts to deliver goods but hires motor carriers to haul the loads.
 - The motor carrier must issue the bill of ladings and provide certificates to the insured as proof of cargo insurance.

Moving and rigging

 Provides coverage for the insured's legal liability only for property of others in the insured's exclusive physical care, custody, and control only during the actual rigging, installation, or erection.

Excess

 We can write over all classes that we offer (except contingent motor truck cargo).

Installation floater

- Provides coverage for personal property installed, fabricated, or erected by an insured, usually a contractor.
 - Coverage applies to owned property and property of others and covers the insurable interest of that contractor in the property.

Producing oil and gas lease property

 Provides coverage for pump jacks, tank batteries, flow lines, and related equipment used for the production of oil and gas.

Bailees' customers property including consolidation /distribution bailees

 Provides coverage for risks such as freight forwarders
